THE RIGBY FIFTY AWARDS

FOREWORD THE RIGBY FIFTY AWARDS

DEAR COLLEAGUES,
AS OUR 50TH ANNIVERSARY CELEBRATIONS FOR THE RIGBY GROUP DRAW TO A
CLOSE, IT'S ONLY NATURAL TO REFLECT ON WHAT HAS BROUGHT US TO THIS POINT.

The dedication of all our colleagues - past and present - has led us to become the successful, diverse business we are today. This incredible journey has been made possible by those same people demonstrating hard work, foresight, and working collaboratively to enable others throughout.

That's why we're delighted to announce today the winners of our 'Rigby 50' - shining a spotlight on colleagues who truly live these values.

We see, hard work as the engine room: the quiet determination to roll up your sleeves and deliver the quality our customers demand. Foresight means looking years down the road, making the smart, long-term decisions that guarantee stability for all of us. And enabling others sits at the heart of our family business ethos - offering mentorship and support, and giving others the tools and confidence they need to truly shine. Every single one of our winners demonstrates these qualities.

What has truly elevated this process is the incredible response from our teams. The quality of the nominations we received deeply resonated with myself, James, Steve, and Pat as we made the final decision on the winners. Hearing your personal stories of recognition underlined something that still makes the Rigby Group stand out -

the value we place on each other as a family business. Our 'Rigby 50' winners are a fantastic example of our shared values. And they sit alongside many other stories worthy of recognition, such as the dedication shown by all of our long-servers. A great joy of this anniversary year has been meeting so many of these long-servers personally, travelling to dozens of locations to meet people who have made such a huge contribution over many years.

So, alongside heartfelt congratulations to our winners, we want to place on record our thanks to everyone of you who contributes to our success, every day.

**Thank you for your commitment to the Rigby Group.
We are delighted to celebrate this moment with you,
as we recognise our Rigby 50.**
